BEERCROCOMBE PARISH COUNCIL CHAIRMANS REPORT- May 2004

ROADS - It is disappointing to see that some of the problems with roads that I reported on last year still exist. Some holes and bumps have been dealt with but only after having to constantly remind the relevant authorities. The drain outside Pauls Farm near to the railway bridge has still not been dealt with and one vehicle at least has reversed into it with quite a crash. The worry is that a cyclist will go into it and be injured.

We will once again be asking a councillor to take on the task of alerting the authorities. Please report any bad potholes or problems to the parish council.

FOOTPATHS - there have again been some complaints about hazards, and the lack of signs on the public footpaths and on the RUPP at Frog Street and we have alerted the footpath Officer at South Somerset of these problems. Please remember that the line of the footpaths should be kept to/that fields used for grazing stock and silage should be kept clean when walking dogs/that gates should be closed again properly. Please report any problems.

PARISH PLAN - Curry Mallet and Beercrocombe have been having some preliminary talks about putting together a joint Parish Plan. I recently heard that we were being put forward for a financial grant to fund the publishing of the Plan but there has been no confirmation of that.

A Housing Survey took place here in December-over 50% of households replied - unfortunately only 1 household thought that they would like affordable housing in the Parish-more requested it in Curry Mallet.

I would like to thank Chris Dale for his ongoing input and say that we will need more people to take an interest in this project.

PLANNING APPLICATIONS - 2 Broad Mead -The Parish council held an extra ordinary meeting when the plans were sent to us. There were some objections and the PC objected to them. Subsequently amended plans were received. We still objected to the size of the extension and to the effect it would have on daylight to the next door property. However the Planning Committee for Area North passed the plan despite our representation.

Sunrise-no objections

POLICING - I hope that Sgt Smith will have answered any questions that you all had. I am disappointed that he has not been 'introduced' to us -we had to go out and get him to come and speak to us. There have been 3 shed breaking at Stewley recently and a theft from outside one of the Village properties this last week. Please report anything missing to us or the police as quickly as possible

HELICOPTORS - After a mornings talk this last Autumn at Merryfield with Commander Air, Cdr Nick Taylor, Cdr Richard Seymour rtd Public Relations Officer and Lieutenant Graham Stringer the 4 Parish Council representatives felt that the RN were perhaps beginning to appreciate what annoyances we had with the helicopters flying locally. I certainly feel that the flying has been more widespread and less concentrated on just a few areas since then. Unfortunately Cdr Taylor has now left Yeovilton and we might find that we need to have the same conversation again. However Lt Stringer is the main Controller at Merryfield and does know who he is speaking to if I have to phone - which is not often now.

BRIAN HOWELL - Mr Howell tendered his resignation to take effect after the last PC meeting. Brian Howell has been a very influential and hard working member of this Parish Council. He managed to get the Helicopter Group 'off the ground' for

the area and as a result Somerset residents now have a voice and a working liaison with Yeovilton and a better understanding of each others problems.

He and Hilary have involved themselves in nearly all the Parish activities. He was a leading light behind the Millenium Year festivities - our History of Beercrocombe Book and the Jubilee Party and the bell ringing. We do thank him most sincerely for all his work and wish them well in their next Parish. He has been responsible for mowing our Village Green in his spare time

PARISH PRECEPT - In Nov 2002 it was agreed by a majority vote that the PC could not afford to pay our usual payment to the Parochial Church Council for our contribution to the upkeep of the grass in the churchyard and of the area known as Muskay - both are for the use of all people in the Parish. At last years May meeting it was agreed and minuted that this would be looked at again in the last Financial Year -2003-2004.

In November 2003 the precept was set but the budget was not discussed as some councillors were absent. We eventually had that discussion at the March meeting. We had allowed some leeway in the precept to pay rather high audit fees. These were lower than we expected and so we had accrued reasonable reserves. Mr A Davies proposed that we should make a smaller contribution of £50. This was voted on and we had a 3-3 vote. [Mr Reed was not able to vote because of his interest as Treasurer to the PCC]. Accordingly I cast my second vote in favour of the motion.

Sadly a week later Mr Philip Dibble and Mr Chris Dale decided to resign.

RESIGNATIONS –THANKS - I would like to thank Mr Dibble for all his hard work on the Parish Council for a number of years. He has served as Chairman and it has been very beneficial to have a farmer as a councillor.

I would also like to thank Mr Dale for his work for the Parish. He has involved himself in many aspects of the life of the Village since coming to live here.

WELCOME TO THE NEW PARISH COUNCILLORS - The vacancy on the Parish Council was duly advertised and 3 new members were co-opted onto the Parish council at an extra ordinary meeting last Thursday.

Mrs Jill MacLeod has been our Parish clerk in the past.

Mr Graham Harvey is on the committee of the Village Hall.

Mr Robert Burrough lives at Stewley and will be able to represent them and address their problems as well as those of the whole Parish.
